A close-up photograph of a modern kitchen sink. The sink is a deep, black, rectangular vessel style. It is set into a white marble countertop with grey veining. A polished brass faucet with a curved spout and a single-lever handle is positioned behind the sink. A matching brass drain is visible in the bottom left corner of the sink. The brand name 'contrac' is printed in a small, light-colored font on the side of the sink. A dark grey rectangular box is overlaid on the right side of the image, containing white text.
